

Heartwood wins at WealthBriefing European Awards

Heartwood Investment Management ('Heartwood'), the asset management arm of Handelsbanken in the UK, wins Best Fund Manager and Best Implementation of a Technology Solution (in house) at the WealthBriefing European Awards presented on 11 April.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the WealthBriefing European Awards awards were designed to recognise companies, teams and individuals which the prestigious panel of judges deemed to have 'demonstrated innovation and excellence during 2018'.

On winning Best Fund Manager, judges commented that Heartwood's strong centralised investment proposition across four broad risk categories is ideally suited to the UK's high net-worth market. The firm's industry-leading in-house dynamic reporting solution, providing clients with real-time data and commentary on their investment portfolios, clinched the Best Implementation of a Technology Solution award.

Noland Carter, Head of Heartwood Investment Management and Chief Investment Officer said: "We are delighted at our success in the prestigious WealthBriefing European Awards. It is testament to our strong investment proposition and the high quality service we consistently offer our clients."

Heartwood is a global multi-asset investment manager that offers a range of investment strategies intended to suit various risk appetites. Its straightforward investment proposition is designed to optimise the expertise of a high calibre, experienced team of professionals to benefit clients with portfolios of all sizes.
